

Please select two options, OR, write in other ways you are improving Lexington's stormwater quality!

For more information, go to www.lexingtonky.gov.

Stormwater Improvement Program

Water Conservation

- Conduct water-use audit
- Keep water-use audit on property available for check-out to residents and staff
- Implement one or more water conservation practices (please list practices in other category at the bottom)
- Install and/or maintain rain barrel on property
- Commit to reduce water usage by at least 5% in one year
- Utilize pervious surfaces on property
- Install a green roof
- Plant a rain garden on property
- Host water reduction contest for staff, residents, clients, and/or employees

Fats, Oils, & Grease (FOG)

- Commit to practice proper FOG handling & disposal
- Post/distribute fact sheets on FOG provided by City of Lexington & Bluegrass PRIDE
- Put FOG information in newsletters

Sanitary Sewers & Special Waste

- Eliminate clearwater connections to sanitary sewers on property
- Begin preventative maintenance on property for sanitary sewer lateral lines
- Offer special waste handling program to maintenance crews
- Schedule pick-up day for household hazardous wastes, large appliances, and electronics for staff, residents, clients, and/or employees
- Put pollution prevention information in newsletter and/or distribute to staff, residents, clients and/or employees

Stormwater Stencils

- Mark stormwater drains on property
- Have staff, residents, clients, and/or employees volunteer to stencil

Pet Waste

- Install and/or maintain signs on property to encourage proper pet waste pick-up
- Install and/or maintain pet waste baggy dispensers on property
- Post/distribute fact sheets to residents on proper pet waste disposal provided by Bluegrass PRIDE

Litter

- Maintain litter-free zones on property
- Host regular clean-ups of property using staff, residents, clients, and/or employees as volunteers
- Provide litter reporting information to staff, residents, clients, and/or employees
- Host litter education meeting/presentation
- Have parking lots regularly swept for litter and landscaping debris

Other

- Please list other ways you are improving Lexington's stormwater quality
